RE: DOCKET #92-235

Dear Sirs:

In consulting with my radio tech. he explained to me that as of Jan. 1, 1996 the FCC will discontinue the use of certain band repeaters and frequencies that we currently operate under. The intent of this letter is to voice my concerns about this information. We currently do not operate with the use of a repeater unless we respond mutual aid to surrounding areas. My understanding is with the discontinuance of certain VHF frequencies all of my current radio capabilities will be obsolete. The Tri-Lakes Fire Protection District at this time would be unable to replace
